### **Additional verses for StF 781**

Take, O take me as I am;  
let me hear you call my name,  
set my soul ablaze and  
never quench the flame.

Take, O take me as I am;  
let me with your glory shine,  
in my weakness show your strength,  
your life in mine.

Take, O take me as I am;  
let your hope in me abide,  
grant me faith to take each step,  
your love my guide.

Take, O take me as I am;  
draw me into your embrace,  
all I have I give to your  
transforming grace.
