And now they are facing a cholera outbreak of unprecedented scale.

From the start of the Methodist New Year in September we will be supporting the Charity

**ODA (Opportunities of Development through Art).**

There are 8 English schools registered with the Cambodian Government and these schools provide a safe place to live, food and education. The children study for exams. ODA also runs 7 night schools, 6 kindergartens and 2 offer computer classes. The children also receive medical and dentistry care.

All these things we take for granted.
