**PLEASE CHECK THE NOTICE BOARD REGULARLY AS THERE ARE POSTERS WITH INFORMATION AND EVENTS HAPPENING ALL THE TIME**

### Are you interested in helping to work out what God wants our churches to be and to do?

The next step in our churches PMC process is to agree a Missional Vocation Statement. This tells people who we are and what we are aiming to do as we follow God's plan for our churches. Input from the whole congregation is needed to achieve this so a guided, relaxed, brainstorming event will be held at Caversham Heights Church on Sunday February 11<sup>th</sup> immediately after the morning service. We will start with coffee and a hot 2 course lunch will be provided. We do hope as many of you as possible will be there. Please sign up on the sheet in the church if you are able to go – so that we can plan the catering. The afternoon will conclude by 3.30pm. Transport will be arranged for all who need it.

### In your Personal Prayers - please pray for

Paula's mum Barbara not well at this time.

Devastating floods around the world - especially remembering the people of:

South Carolina & Malaysia

remembering those lives lost and those who have lost loved ones.

### Olive picking trip to the Holy Land

Would you like to visit the Holy Land, learn about life there today, and provide practical support to local farmers by helping with olive picking?

Group going from Reading in October – more details from Jenny

### Mission-shaped Intro – a circuit course for every church

This year the circuit has challenged every church to develop either a 5-year plan for growth, or an 'end-of-life' plan. Each church that is planning for the future, and wants to take advantage of the circuit funding available for mission, is invited to send people on this course. It will be offered in 5 locations around the circuit. The Caversham one takes place at Caversham Heights on the following Thursday afternoons:

February 8, 15, 22, March 1 and 8. Church stewards and church council members are asked to give priority to attending the course, but others are also welcome.
