Helpers Needed

There are a number of small jobs, using a variety of skills that need doing around the church. It would be nice if the whole church family shared these jobs, so the stewards have drawn up a list (which is on the table by the door) and would be very grateful if people could sign up to undertake anything on the list. You might also be aware of tasks to be completed that the stewards have not thought about. If so – please add to the list.

Mission-shaped Intro – a circuit course for every church

This year the circuit has challenged every church to develop either a 5-year plan for growth, or an 'end-of-life' plan. Each church that is planning for the future, and wants to take advantage of the circuit funding available for mission, is invited to send people on this course. It will be offered in 5 locations around the circuit. The Caversham one takes place at Caversham Heights on the following

Thursday afternoons: **February 8, 15, 22, March 1 and 8.** Church stewards and church council members are asked to give priority to attending the course, but others are also welcome. **Please give your names to Margaret Simpson if you plan to attend.**
