"Dear Brothers and Sisters, This is a time of transition for many in the life of our Circuit. There are ministers and churches who are considering their ministry from 2019. This can be very unsettling for all concerned, ministers, their families and folk in local churches. In the middle of all this are the Circuit Stewards who are helping ministers and churches navigate their way under God through these and decisions. I encourage you to pray for all the above people that God will guide and direct their thinking and decision-making and that all will know God close to them."
